

**Dear Community School Principals, Coordinators, Staff & SCC**

**Once again it's time for another edition of the  
Saskatchewan Community Schools Association  
Provincial Newsletter**

The mandate of SCSA is to promote the Saskatchewan Community Schools Program & Community Education within the province, Canada, and internationally. Our website [www.communityschools.ca](http://www.communityschools.ca) is getting a lot of traffic and our newsletter stories are being widely read. If you would like to see examples of previous newsletters, please visit the website.

## **CALL FOR SUBMISSIONS**

This will be our first newsletter of the 2011/2012 school year. We encourage you to help **spread the good word about Community Schools** by letting us publish what your school or community has been up to.

### **Guidelines: Personal information sent with Newsletter articles for the SCSA newsletter**

As usual, we always appreciate **pictures** to accompany articles. Pictures must be in .jpg format and you must obtain consent from any individual in the photo to have their picture posted on the world-wide-web.

Please include a copy of the "school permission form" already on file at the school with any pictures/video/artwork submitted with an article for the SCSA Newsletter. Please advise the person(s) about the article as it is being used beyond the school newsletter.

1. If such a form is not available please have the person(s) each fill out the SCSA form (*see newsletter link on website for form*) and include it with any pictures/video/artwork, etc submitted with an article for the SCSA Newsletter.
2. Articles that are submitted containing pictures, artwork, video clips, compositions (as outlined in the attached form), must be accompanied by a copy of the school permission form or the SCSA permission form or they will not be published.
